# EXECUTIVE IQ®

**For senior executives with 10–15+ years of experience driving strategy, innovation, and organizational transformation.**

Executive IQ® by Money Management Institute empowers senior leaders with the frameworks and tools to lead through disruption and drive strategic innovation. Developed in collaboration with the University of Virginia Darden Graduate School of Business, the program combines graduate-level teaching and learning with practical, real-world applications. Participants gain exposure to emerging technologies like AI, learn to apply the constructs of organizational design and disruptive innovation, and explore new approaches to leadership, organizational change, and cross-functional collaboration. More than a credential, Executive IQ helps senior leaders build the capability and confidence to shape the future of their firms and drive the industry forward.

ASSET MANAGER**

### REAL-WORLD EXPERIENCE & INSIGHT

Leadership starts with understanding the complexities of your industry. Through a case-based curriculum and immersive on-campus sessions, you'll gain practical knowledge and peer connections that ground your decision-making.

### ESSENTIAL SKILLS THAT MOVE YOU FORWARD

Effective leaders don't just learn — they practice. Darden's discussion-driven, case-method workshops develop sharp analytical thinking, inventive problem-solving, and practical mastery of innovation leadership and AI, with immediate takeaways you can use on Monday morning.

### PRACTICAL APPLICATION THROUGH COLLABORATION

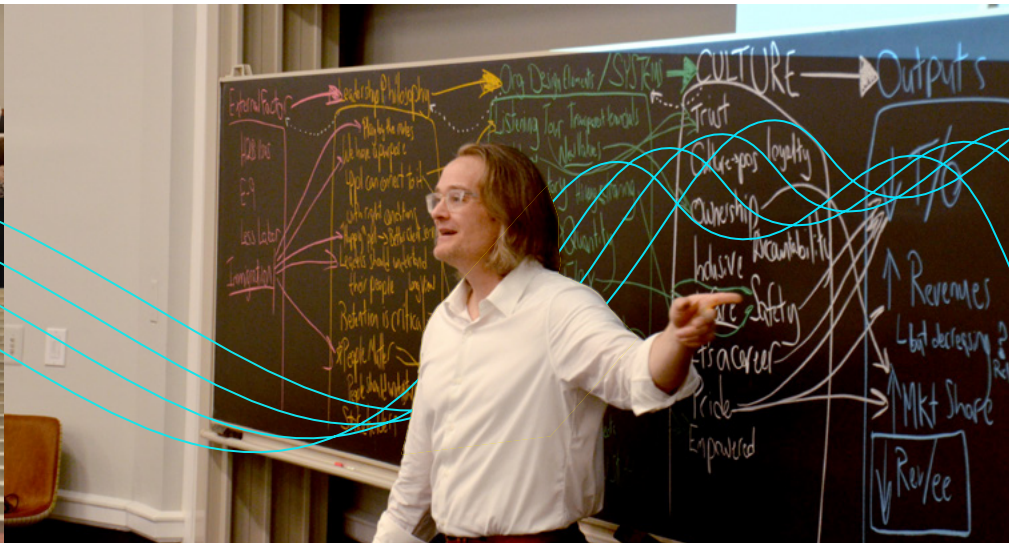

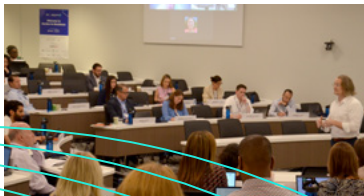

Theory matters only if you can apply it. By working on team projects you'll tackle real-world challenges, preparing you to deliver results back at work.

### PERSONALIZED COACHING AND GROWTH

True leadership growth comes from reflection and tailored development. One-on-one coaching and personal assessments help you understand your strengths and identify opportunities to improve.

### A NETWORK OF SUPPORT

Leadership is not a solo journey. By joining small learning pods and accessing a broad network of senior financial leaders, you have guidance, feedback, and collaboration every step of the way. Plus, you'll tap into Executive IQ's broader network of alumni through events and communities designed to keep you connected and inspired even after graduation.
