

Through formal and informal mechanisms, the MMI has become a sounding board where management firms, distributors and others in the business hammer out stances, standards and boundaries for a business that has developed a substantial footprint in the financial services industry.

—Investment News

MMI's Primary Objectives

- Advancing the future of investment advisory solutions
- Providing a comprehensive database to serve as the definitive source of information on the investment advisory solutions industry
- Facilitating a forum for senior executives to address industry issues
- Serving as an expert resource to public policy makers and regulators (SEC, FINRA, CFA Institute, etc.)
- Facilitating operational solutions to promote industry growth
- Educating reporters on the benefits of managed solutions
- Creating an efficient and automated operational data standards solution

MMI helps its members CONNECT, KNOW, GROW

Our members Connect through our professional networking and events, they Know through our data reporting and educational initiatives and Grow from our regulatory affairs and industry advocacy.

Since 1997, MMI has been the leading voice for the global financial services organizations that provide advice and professional investment solutions to individual and institutional investors. Through industry advocacy, educational initiatives, regulatory affairs, data reporting and professional networking, MMI supports and advances the growth of advisory solutions. Our members' advice-driven investment solutions serve an evolving worldwide financial landscape and their organizations are committed to the highest standards of fiduciary responsibility and ethical conduct.
